

John Young Parkway Add Lanes Orange County—2014

This Orange County municipal project was specified using FDOT index 206 for Type II Trench Drain. The contractor, Jr. Davis Construction, utilized the 15" ADS Duraslot pipe due to its superior quality, constructability, and ease of installation.

Contractor: Jr. Davis

Municipal Agency: Orange County

Engineer: Inwood Consulting Engineers

Pipe: 1360' 15" Duraslot W/ Variable Slot (slot height ranging from 6" to 38") & 12" Nyloplast Inline Drains for Cleanouts every 50'

*The Most **Advanced** Name in Drainage Systems®*
